

# FOR SALE

## Janome Horizon 7700 for sale

This sewing machine has all the original feet and parts that arrived in the box minus the needles. Also included are three additional accu-feed feet-the quarter inch, stitch-in-the-ditch and open-toe. There is also an extra bobbin case (not yet used) for bobbin tension adjustment when free motion quilting. Recently cleaned and checked at Snip and Stitch.

Some of the many features of this machine:

- 250 stitches
- 17 feet plus the 3 additional accu-feed feet
- 5 LED lamps
- automatic needle threader
- programmable thread cutter
- programmable lockstitch to end stitching
- needle up/down
- knee lift to raise presser foot
- acrylic extension table
- 11 inch work space for large quilting projects
- convertible free motion quilting foot which allows this machine to be used for ruler work (special ruler feet not included).

Please visit <https://www.janomeflyer.com/pdf/Janome-Horizon-7700.pdf> to read about all the wonderful features of this model has as they are too numerous to list here.

Asking \$1000
