

FOR SALE

JANOME MC8900 and Table

For sewing, quilting, hemming and pretty much all that can be achieved with stitches, the Janome MC8900 is your all-in-one sewing machine. It is a very solid and sturdy machine, yet compact and designed to enhance your sewing experience and exceed your expectations.

Stitching Features

- Lock stitch button
- Built-in selection of 270 different kinds of stitches, categorized into 11 types for easy recognition (bridge, heirloom, long, decorative etc.) with a chart for reference on the lid.
- Memory for storing individual favorite stitches, settings and frequently used options. Additional programmable options for twenty different stitch and font categories
- Stitches can go up to 9mm wide, 5 mm long, and even be elongated to five times their regular size.
- Over 90 different needle positions.
- Peak sewing speed of 1000 spm without any wobbles.
- Auto thread cutting, you can cut both bobbin and the top thread at once
- Eleven custom, single-step buttonholes with adjustable width, length of stitches and density.
- Drop feed with a seven-piece feed dog (superior plus). No more fabric getting clogged up, bunching on top or slipping away.
