

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

Snip & Stitch

The Quilter's Patch Block of the Month Demo Format

Cathy Martino

Brief Description of Class: In this block of the month demo class students will see all the techniques done as demos by Cathy. Sewing of the project will be done at home. Bring your completed blocks for show and share as these beautiful garden quilts progress. All the basics of traditional quilting will be covered including triangle piecing, strip piecing, hand embroidery, hexies, 60 degree triangles, diamond piecing, machine and hand appliques, clamshells, Dresden blocks, and more. Cathy will give tips and options for each technique. This is a great way to learn new skills and work on a larger project in smaller steps.

SUPPLY LIST	
Book: The Quilter's Patch by Edita Sitar	Our Part #:
Fabrics and supplies as listed in the book, Cathy will discuss this at the first class, but you can get a head start with your fabrics	
We will discuss notions at the first class and options along the way throughout the project	

Bring fabrics you are thinking of using to the first class. We will be discussing all the supplies there.

If you have any questions please contact me: Cathy Martino
