

Ron Collins

Pattern Alterations and Body Measurements for the Right Fit

(Full Day Hands On)

In this hands-on workshop you will learn how to identify fitting problems and how to solve them. Ron will show how to correct fitting problems regarding sloping and square shoulders, large bust, high and low bust, removal of a bust dart, broad and round upper back, sway back or down-sloping back waistline, large upper arm, tight armholes, flat seat and many more.

We will also take 28 body measurements for you. Every student will have an alteration package to take home with them showing all the alterations that they have done.

Ron will give you the inside answer on what pattern companies run larger and which ones tend to run true to measurements. He will also explain how much wearing ease you need in all garments from close fitting, fitted semi fitted, loose fitted and very loose fitted. Take the guess work out of trying to choose what size garment by finding the “finished garment measurements” and not using the sizes on the back of the pattern envelope. See the difference in sizing charts in major pattern companies and how to choose the right size for you and how to avoid disappointment in fitting.

Kit Fee: \$15.00
