- ✓ Fabric & Lining
- ✓ Hair Canvas or tie Interfacing .5 metre
- ✓ Fusible Interfacing, (stylemaker 601 or Stylemaker 602)
- ✓ Armo Fleece (non-fusible) .2 metre
- ✓ Polyester Twill Tape – ¼" (1 package)
- ✓ Shoulder Pads
- ✓ ¼" wide Steam-a-Seam
- ✓ Pocket template
- ✓ Tracing Paper and Wheel
- ✓ Buttons, Thread
- ✓ Pressing Cloth, Pressing Ham, Clapper (Only if you have it.)
- ✓ Scissors, Marking Pen, Pins, Seam Ripper, Point Turner (all basic sewing notions)
- ✓ Sewing Machine

Note: To speed up the fitting it is best that you have muslin sewn with the pattern of your choice. This will make it easier to identify any fitting problems that you may have and make it faster than tissue fittings. We will correct any fitting problems on the pattern tissue before we cut the fabric in class. Kathy will be bringing in the proper interfacing and shoulder pads for the workshop.

- ✓ Pins, Scissors, Marking Pen, etc.
- ✓ Thread for serger
- ✓ Snaps or Buttons
- ✓ ¼" wide Steam-a-Seam
- ✓ Sewing Machine & Serger

P.S. I will have ten jean jackets available to try on. They will be Sandra Betzina's jean jacket pattern (Vogue 7610) in ten sizes (A to J):

- Bust 32" to 55"
- Waist 26 ½" to 50 ½"
- Hip 34 ½" to 57"

If you like Sandra's pattern, make sure you pick it up and bring it to class, and we can do sizing from there. Also if you're working with another pattern for the jean jacket, other than Sandra's pattern, and you're hard to fit, it is best that you show up with a muslin to get a head start on fitting.
