# Snip & Stitch

Jalie3677 Helene Cardigan

Cathy Martino

**Brief Description of Class:** In this class students will make the Helene cardigan by Jalie. It is one of their new patterns for this year. It features a small shawl collar, waistline pockets, and a slightly flared lower back for pretty shaping. Prep class will be for finding correct sizes, tracing the pattern, altering it where necessary and cutting out there or at home. Sew day will be for construction and finishing with a bonus of learning how to miter the front lower corners and hem. Beginner friendly and clever construction.
