PRE-CLASS PREPARATION

Space in the classroom is limited. Please ensure you prepare your fabric at home.

- Use Mary Ellen's Best Press to press fabric for embroidery at home. Spray and iron dry 2 or 3 times. This takes the "shrink" out of the fabric and will improve the quality of your embroidery stitchout.

I do my best to ensure the supply list is complete. If you think I have left something out, please bring it.

If you have any questions you can e-mail me at donnamo@snipandstitch.com
See you in class!
