**BERNINA Sew-Cial Club: Lifestyles
Fall 2017
Donna Morton**

All new – especially for BERNINA machine owners -- the Lifestyles Club! This club will demonstrate how you can improve your sewing skills with the extensive line of BERNINA feet and accessories. Each club date will focus on a sewing technique and the BERNINA feet and accessories that make sewing that technique effortless! Here are the first three topics in this 10 month club:

This is a demonstration class. There will be a pre-recorded virtual presentation followed by a demonstration of the technique on a current Bernina Sewing Machine.

You will receive complete instructions for the demonstration so you might want to start a binder with paper for taking notes and for keeping the instructions. Other than that you do not need to bring anything except your questions and enthusiasm!

If you have any questions, please e-mail me (donnamo@snipandstitch.com)

See you at Class!
