

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

**Beyond Orientation: Creating Stitches for your Continental M7, 9400, 9450,
S7, S9, 15000, 12000
2020
Donna Morton**

Expand your creativity with your sewing machine! Stitch Composer is a great PC computer program that comes with several Janome machines. Come and learn how you can create your own unique stitches to personalize your projects. Once you know how, your decorative stitch options are endless! This demo is for owners of Janome Continental M7, 12000, 15000, S7, S9, 9400 and 9450 machines or those thinking of buying one of these machines.

SUPPLIES	Our Part #
This is a demonstration class.	
You will need a pen or pencil and notebook for note taking	
You also might want to bring a small capacity USB stick if you would like copies of any of the stitches demonstrated.	

If you have any questions, please e-mail me (donnamo@snipandstitch.com)

See you at Class!
