Donna Morton.**

**THIS SUPPLY LIST CONTAINS IMPORTANT PREP-CLASS INFORMATION.
PLEASE READ ALL THE WAY TO THE END.**

The Quiltmaker's Butterfly Forest by Felicia T. Brenoe is the inspiration for this machine embroidery wall hanging. Each block is embroidered using multi-hooping techniques. All digitized designs, templates and instructions are included in your class fee. Minimum hoop size for this wall hanging is 200 X 200 hoop. Designs will be proportioned for your hoop size. Please note: the blocks in this machine embroidered version are smaller than the author's original quilt blocks due to the limitation of embroidery hoops. Wall Hanging finished size is approximately 49 X 64 inches.
