**DIGITIZER'S CAFE
FALL 2019
DONNA MORTON**

Do you own Janome Digitizer MBX, Bernina Embroidery Software 7 or 8, Premier + Embroidery or Artistic Brand software? Would you like to learn how to use your software in a small class setting? Digitizer's Cafe is an all new approach to learning how to use the digitizing software you own. This Cafe will focus on helping you learn to the process of digitizing in-the-hoop appliqué designs using the pattern *Everything's Blooming* by Erica Kaprow. This is a hands on laptop computer class.
