

**SUPPLY LIST FOR CLASS, DEMO, OR CLUB**

Garment Sewer's Club

Cathy Martino

**Brief Description of Class:** In this club students will get garment sewing info and tips. Each month something different will be covered. Bring show and share and questions. Some of the subjects covered but not limited to and in no particular order are: exposed zippers, interfacing know how, how to use twin needles, clean finished facings, flat and filled piping, how to check sleeve ease, moving a dart, bias bound facings, hemming sheers, and more.

SUPPLY LIST
