

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

Garment Sewer's Club

Cathy Martino

Brief Description of Class: In this club students will get garment sewing info and tips. Something different will be covered each month. Bring “show and share” of your successes, and things that you are stuck on, for input. Here are some of the subjects covered; exposed zippers, bound buttonholes, using different threads and what needles go with the different threads, embellishments, working with border prints, and more!

SUPPLY LIST	
Pattern/Book:	Our Part #:
Pencil and paper for notes	
Show and share, even if it is “what do I do with this fabric?”
