### **PLEASE NOTE:**

DO NOT BRING YOUR MACHINE TO THE PREP CLASS.

This class has several options for preparing appliqué shapes and 2 projects to choose from. The purpose of the prep class is for me to find out what method for preparing appliqué shapes you are using and which project you are making. Once I know that, I can advise each of you on what you need in the way of supplies and what you need to get ready for the first full day class.

Please bring with you your purchased **Hearts Afire** embroidery CD, note taking materials, a usb stick and any fabrics you are thinking of using. -

If you have any questions please e-mail at [donnamo@snipandstitch.com](mailto:donnamo@snipandstitch.com)

I do my best to ensure the supply list is complete. If you think I have left something off the list, please bring it!
