

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

Jalie 3130 Women's Shirt

Cathy Martino

Brief Description of Class: In this class students will make the Jalie women's shirt. This is a basic button down the front blouse. Prep class will be for finding pattern size, tracing the pattern pieces, doing some fit checks and discussing fabrics and notions. This pattern uses woven fabric not stretch. Cutting will be done at the end of class or at home before the first sewing session. The sewing will be done in two sessions to allow time to learn the techniques of the front, pockets, making a collar and collar stand, sleeves with optional tabs to roll up, button holes, and finishing. This is a great basic blouse or shirt with lots of options to make over, and over again.
