

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

Machine Embroidery Software/Computer Bootcamp

with Julie

This retreat is for all embroidery machine owners (with or without computer software) who would like to learn how to download designs from a CD, USB stick or the internet to their computer, transfer the designs to their embroidery machine and stitch the designs. (Project of your own choice.)

How to decide what threads, needle and stabilizer to use, as well as correct hooping and stitching techniques will be included.

Those with embroidery software may also customize and stitch the included designs. (Please contact instructor prior to class to confirm familiarity with your program if needing software help.)

THIS SUPPLY LIST CONTAINS IMPORTANT CLASS INFORMATION. PLEASE READ ALL THE WAY TO THE END.

Sewing / Embroidery Machine with all hoops, Embroidery Arm, Power Cord, Foot Control, bobbins and Transfer Device	A variety of embroidery threads appropriate to your chosen designs in a selection of your favourite colors.
