

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

**Machine Embroidery Stabilizer Update
Winter 2018
Donna Morton.**

The world of machine embroidery stabilizers keeps expanding as new products are introduced. In this lecture/demo Donna will help you get a handle on the basic stabilizers you should have for everyday embroidery needs and she will also introduce the new stabilizers and give recommendations on how to use them. Recommended for all machine embroidery owners.

SUPPLIES	Our Part #
This is a demonstration only. Please come with a pen or pencil and paper for note taking. Pictures are permitted.
