No matter what Janome machine you own – from the most basic to the top of the line MC15000, you will not want to miss this Club!

This is a demonstration class.

You will receive complete instructions for the demonstration so you might want to start a binder with paper for taking notes and for keeping the instructions. Other than that you do not need to bring anything except your questions and enthusiasm!

If you have any questions, please e-mail me (donnamo@snipandstitch.com)

See you at Class!
