FALL 2017
Donna Morton.**

**THIS SUPPLY LIST CONTAINS IMPORTANT PREP-CLASS INFORMATION.
PLEASE READ ALL THE WAY TO THE END.**

The Heirloom Pillow uses several designs from janome-embroidery.com Beloved Heirlooms Collection. Donna has used software to create the template for multi-hooping, to edit the designs and digitize the free-standing appliqué scallops for the pillow edge. The class begins with a demonstration on how Janome Digitizer MBX or Bernina Embroidery Software 8 can help you expand your creativity. Full-size template, instructions and designs for using cutwork needles to pre-cut the free-standing appliqué shapes are included in the class fee. Also learn about fabric preparation and multi-hooping while making this heirloom quality project. Minimum hoop size is 200 X 200 mm.

Prep Class:

We will be preparing your fabric and stabilizer for cutting with Cutwork Needles and we will also be preparing your full-size positioning template.

Before the prep class:

- From your 1.2 m of fabric, cut a strip that is 12 inches across the width of your fabric. Treat this 12 in strip with Terial Magic. This must be done at home as the odour may cause problems for someone in your class. If you cannot use Terial Magic then treat your fabric to 3 or 4 coats of Mary Ellen's Best Press. Your fabric must be stiff to work with the Cutwork Needles.

You will need the following supplies for the prep class:

- Your 12 inch strip of stiffened fabric
- Inspira Fusible No Show Mesh
- 4 X 14 or 6 X 12 inch ruler or larger (not optional!)
- Pencil
- Scissors
- Scotch Tape
- Rotary cutter and mat
- Pen/pencil and note paper
