

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

Seam finish know how

Cathy Martino

Brief Description of Class: In this class students will take notes and then stitch samples of different seam finishes. Which ones to be used where will be demystified. Techniques include standard seams with regular and serger machines, how to join lace, French seams, flat felled seams, and how to reduce bulk in polar fleece. Students can keep these samples to reference later when the right project comes along.
