# Snip & Stitch

Sew You Can Sewing/Quilting Studio

Cathy Martino

**Brief Description of Class:** In this class students will choose one of the projects to work on. Choose from a purse or sewing caddy, a table runner, or a lap quilt top. This is geared towards beginners who want to learn the basics of sewing or quilting. The caddy features bias binding, pockets, and a hidden zipper pocket inside. The table runner features raw edge fusible applique and making bias vines as well as quilting and binding the edges. The pinwheel lap quilt features cutting, sewing and pressing the large size blocks, adding sashing and borders and discussing how to get started quilting. Four sessions with a little work in between at home. Information on using the internet to find patterns will be shown. You will get the patterns for all 3 projects in class but choose just one to work on and buy supplies for. Another supply list will be given at class with pictures.
