

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

STITCH COMPOSER FALL 2017 Donna Morton.

Expand your creativity with your sewing machine! Stitch Composer is a great PC computer program that comes with several Janome machines. Come and learn how you can create your own unique stitches to personalize your projects. Once you know how, your decorative stitch options are endless! This is a hands-on computer class for laptop computer owners or come and watch so you can go home and work on your desktop computer. For owners of Janome 12000, 15000, S7, S9 and 9400 machines.
