# Snip & Stitch

Wacky Wednesday Awesome Ocean

Cathy Martino

**Brief Description of Class:** In this class, students will use the Awesome Ocean pattern to make whimsical sea creatures. They can choose small projects, the baby quilt, or larger quilt. Two or more creatures will be covered in each session to break the project down. Skills include organizing the project, precision cutting, sewing and pressing of the blocks, and tips on how to pull it all together at the end. Lots of fun!
