Donna Morton.**

**THIS SUPPLY LIST CONTAINS IMPORTANT PRE-CLASS INFORMATION.
PLEASE READ ALL THE WAY TO THE END.**

The newest version of Bernina Embroidery Software (V9) is better than ever. Spend some time with Donna getting hands on experience with the new features.

SUPPLIES	Our Part #
Bernina V9 Software	
Laptop Windows PC with power cord, mouse, mouse pad and usb stick	
Notebook and pen	

I have allowed time at the beginning of class so we can get everyone's new software loaded, registered and up and running.

If you have any questions please e-mail at donnamo@snipandstitch.com

I do my best to ensure the supply list is complete. If you think I have left something off the list, please bring it!
