**Q20 Guide Lesson
WINTER – SPRING 2022
Donna Morton**

Join Donna and other new owners of the Bernina Q20 Table Model for a run through of the Q20 Mastery Book. Learn the in's and out's of the BSR Modes and when it is best to use the Manual Mode. Review threading and bobbin winding. Get experience with the bobbin gauge. Also find out what accessories are available for your Q20 Table Model. Bring your questions and Donna will help you answer them. No charge for our owners. Special pricing for all others.

This is a demo/show and share session. Please bring a notebook and pen or pencil for taking notes. Also bring anything you have done on your Q20. If you have encountered problems with a thread, tension, etc. bring them so we can talk about possible remedies for you to try on your machine. The more you bring to discuss, the more we will all learn about this fabulous machine!

If you have any questions, please e-mail me (donnamo@snipandstitch.com)
