

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

**DIGITIZER'S CAFE
SUMMER 2022
DONNA MORTON**

Do you own Janome Digitizer MBX, Bernina Embroidery Software 8 or 9, Premier + Embroidery, mySewnet or Artistic Brand software? Would you like to learn how to use your software in a small class setting? Digitizer's Cafe is an all new approach to learning how to use the digitizing software you own. This Cafe will be adapted to meet the learning goals of the individuals who register.

SUPPLIES:	Our Part #
Laptop computer with power cord, mouse and mouse pad. Make sure your version of software is up to date. Please bring note taking materials with you.	
Commercial Appliqué Pattern or Book (no photo-copies), sketch, photograph, etc. if you have something in particular that you want help digitizing. If you are brand new to your software e-mail me with the name of your software so I will have time to prepare beginner lessons for you.
