JANOME CONTINENTAL M17

WINTER/SPRING/SUMMER 2023

Donna Morton

Spend the day exploring your new Janome Continental M17. The day will begin with an overview of the Set Up Menu followed by a review of the main features of the machine. We will also review the Apps and Artistic Digitizer and how these programs enhance the features of your machine. This is a full day guide lesson for our owners. Special pricing for all others

This is a lecture/demo. Please bring a notebook and pen.
