

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

Introduction to Free Motion Feather Quilting

With Julie

For those who have mastered the basics of Free Motion Quilting and are ready to learn something new.

The feather motif has long been a favorite among quilters.

The many variations of feather quilting make it the perfect addition to both traditional and modern quilts.

It's time to take your Free Motion Quilting to the next level with this introductory class as we focus on the rhythm and form of basic feather quilting.

**THIS SUPPLY LIST CONTAINS IMPORTANT CLASS INFORMATION.
PLEASE READ ALL THE WAY TO THE END.**

Students will work on a series of stitch samples.

SUPPLY LIST	
Sewing machine with all accessories, extension table, darning foot , spare bobbins, foot control and power cord. Straight stitch plate for your machine if you have one.	
Sew Slip, Supreme Slider or Free Motion Glider.	
Quilting gloves	
A stitch sandwich consists of a front and back fabric with a layer of batting in between. Please bring, a minimum 10 stitch sandwiches 10" x 15" of good quality cotton in a plain or Tone on Tone (not print) fabric for stitch samples. 2.0 m cut into 15" strips (sub cut each strip into four 10" x 15" will yield two sandwiches per strip)	Two 10" scraps of fabric and one 10" Piece of batting for tension tests.
Tuscany Poly batt will really show off your quilting. A twin batt will be plenty. Cotton, bamboo, or Hobbs 80/20 will also be pretty but remain a little flatter. You will need at least .4 m
