

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

Expand Your Free Motion Quilting Skills - Club

Join me as we explore a variety of FMQ techniques to help you expand and perfect your free motion quilting skills. All-over designs, background fill designs, thread sketching, thread painting and trapunto are all beautiful in their own way. Combined the effect can be stunning. Each technique will be presented as a small project designed to encourage a progression of smooth hand movements, stitch quality, thread knowledge and design confidence.
