GET TO KNOW YOUR BERNINA Q SERIES MACHINE - FALL 2023

Donna Morton

Join Donna and other new owners of the Bernina Q16, Q16Plus or Q20. Donna will go through the Mastery Workbook. Learn the ins and outs of the BSR Modes and when it is best to use the Manual Mode. Review threading and bobbin winding. Get experience with the bobbin gauge. Also find out what accessories are available. Bring your questions and Donna will help you answer them. No charge for our owners. Special pricing for all others.

This is a demo/show and share session. Please bring a notebook and pen or pencil for taking notes. Also bring anything you have done on your Q Series machine. If you have encountered problems with a thread, tension, etc. bring them so we can talk about possible remedies for you to try on your machine. The more you bring to discuss, the more we will all learn about these fabulous machines!

If you have any questions, please e-mail me at donnamo@snipandstitch.com.

See you at Class!
