

## SUPPLY LIST FOR CLASS, DEMO, OR CLUB

### STONE-ON-ONE QUILTED RUNNER - FALL 2023

Donna Morton

**THIS SUPPLY LIST CONTAINS IMPORTANT PREP-CLASS INFORMATION.  
PLEASE READ ALL THE WAY TO THE END.**

Use the embroideryonline.com Ricky Timms *Pearly Gates* collection (#80356), to create a custom tone-on-tone quilted runner. Finished size of runner will vary depending on your machine's maximum embroidery field. Sample was created using a Janome M17 embroidery machine. Also suitable for Janome 12000, 15000, 500E and 550E. Janome embroidery machines need an Acufil Quilting Hoop.

Combo sewing/embroidery machine or sewing machine and embroidery only machine, power cord and foot control.

- We will discuss what hoops and other embroidery supplies you will need at the prep class as this will vary depending on brand of machine.
- USB stick. Please make sure your USB stick works in your machine! With rapidly changing technology it is impossible for me to predict what size or Brand of USB stick will work in various machines. If your machine came with a USB stick, bring that one.
- Some Janome embroidery machines need an Acufil hoop. **These needed to be special ordered well in advance of the class.** The machines are the 12000 and the 500E. The 15000 comes with an Acufil hoop as does the CM17. The 550E can use the 200 X360 hoop, but the optional Acufil hoop may be easier to use.

1.7 m tone on tone fabric

- This is enough fabric for the front, back and binding.

18 in X 60 in piece of batting.

Thread for quilting (same thread used on top and in the bobbin). When I see your fabric choice, I will be better able to make a recommendation if you cannot decide.

505 temporary spray.

Mary Ellen's Best Press to pre-treat fabric.

Janome blue and red tip needles.

6 X 24 ruler, mat and rotary cutter.

Removable fabric pen or pencil that will show up on your fabrics. For this project I preferred a blue water-soluble marker.

Rotary cutter and 18 X 24 cutting mat or sharp shears.

6 X 24 inch ruler.

12 X 12 inch ruler (opt but nice to have).

Seam ripper.

Usual embroidery supplies.
