2 Day Machine Embroidery/ Software Cafe Retreat - FALL 2023 Donna Morton

This expanded Machine Embroidery/Software Café Retreat is an informal way to get help with your embroidery or software products. Get help with starting a project, fixing a mistake, finishing a project, transferring designs to your embroidery machine, or work on basic computer skills including help with your embroidery software, internet smarts, e-mail, etc. This is also a great class for those who have bought a previously owned embroidery machine and just need help to get going. The number of students per session is limited to ensure everyone gets the help they want. Register early so you will not be disappointed.

Please e-mail (donnamo@snipandstitch.com) me about a week before the retreat to advise me of what it is you would like to work on. Supplies will vary from student to student.

See you at Class!
