Tamarack Quilted Jacket

Cathy Martino

Brief Description of Class: Using Grainline Studio's Tamarack Jacket pattern, make an on trend quilted jacket. In the prep class learn about fabrics and battings to use. Pattern tracing and fit checks will be done as well to be ready to cut out. The second class you will get started on quilting using a walking foot or free motion foot. In the final class you will trim up the pieces and learn the construction techniques to complete the project.
