

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

Snip & Stitch

Closet Core, The Bottoms

Cathy Martino

Brief Description of Class: Choose either The Pietra Pant or Fiore Skirt pattern to make in this class. The Pietra Pant has a high waist and elastic at the back waist. It can be made as shorts, a slim leg pant, or a wider leg pant. The front pockets are very flattering. The Fiore Skirt has three different views. You can make a basic A-line skirt with invisible zipper in the back, a button down the front version with large pockets, or a diagonal wrap version with one slant pocket. The first session will be spent finding the correct size, tracing the multisized pattern and discussing prep work. The second session will get you started with pockets, seam finishes, topstitching options, interfacing and more. The third session will be for any fitting adjustments, waistline finishes, and hems.
