AG Series 1941-1947:

The "AG" series Featherweights spanned from 1941 into 1947, and gauging from the commission date chart, a total of 148,250 Featherweights were produced with the serial number prefix of "AG." It is worth noting that no Featherweights were produced from 1942-1944 because the factories were contributing to the war effort.

1941-1946 AG000001-AG709390:

Pros:

- Scrolled Faceplate adding to the attractiveness of the machine
