

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

SOFTWARE CAFÉ WINTER/SPRING/SUMMER 2024 Donna Morton

Embroidery Software Café is an informal way to get help with your software products. Donna has lots of experience with many embroidery software packages. She can help you get to know how your software works and start you on your way to creating the projects you have in mind. The number of students per session is limited to ensure everyone gets the help they want. Register early so you will not be disappointed.

You will need to bring your laptop computer, power cord, mouse and usb stick.

Also bring a notebook and pen.

Please be sure your laptop computer is up-to-date.

If you have any questions please e-mail me: donnamo@snipandstitch.com)

See you at Class!
