BERNINA SOFTWARE 9 – SKILL BIUILDER 2 Donna Morton

New topics and new ideas! Bernina Embroidery Software 9 is a very powerful program. Working in a group setting, each person's questions help everyone else. Each month will be a different topic with a variety of lessons to help the individuals in the class advance their skills and confidence with the software. This is for new and current owners. Includes registration code for Skill Builder 2 On-line course.
