

Purchased in September 2024 as had heard so many good things about Bernina and have enjoyed this machine. The brand lives up to its reputation. I'm selling only because upgrading to the Bernina 990. It comes complete with extension table, accessories case with feet and tools, as well as the Bernina BSR package and a soft cover.

Asking \$4999.

Please contact Elaine Cadell if interested. 250-740-0971
