Our Team Loves What We Do

Sit & Sew Days Are Back!

Thank you for choosing Snip & Stitch Sewing Ctr. for your creative endeavors! Our team is excited to have you join our classes and learn new skills. To ensure an enjoyable and fair experience for everyone, we have amended our store policy regarding class enrollment.

Registration: By registering for a class, either online or in-store you are entering into a contract for participation in that class. Before registering carefully consider your schedule and availability before enrolling. You can register in store or online for your convenience. It is sew easy! ([www.snipandstitch.com](http://www.snipandstitch.com))

In Store Credits and Refunds: In the event that you are unable to attend your class we are unable to offer refunds or in-store credits. We understand that unexpected circumstances happen, but we are unable to accommodate individual refund requests.

Waitlist Exception: We do have an exception to our refund policy. If there is an existing waitlist for the class you are enrolled in and we are able to fill your spot with someone from the waitlist, we will then gladly provide you with a class voucher. Class registrations are non-transferable.

Class Requirements: Please note that classes have a minimum requirement of enrollment. We all work really hard to meet these requirements and run the class as scheduled. If the minimum class requirement is not met, participants will be notified 1 week in advance. In this instance where we cancel a class, a full refund will be issued. We at Snip and Stitch love what we do and try very hard to maintain a pleasant, enjoyable atmosphere in our classroom.

Make sure to bring all required supplies to class! There is a basic supply list for all classes and at times an additional supply list may be required and provided by our instructors. If you have any questions regarding a class or supply list, feel free to talk to one of our staff. A 15% discount will be given on any items purchased during class excluding items with prices ending in .99, sewing machines, sergers and cabinets.

Thank you for letting us be a part of your  
“sewing experience”.

Thank  
You!

## *Exploring Jane Austen Costumes*

Barbara Day Sort - No Charge, call the store to register

It all started with a book - Pride & Prejudice. In 2017, her regular friend and seamstress was too busy to make her more Regency-style outfits for her to wear to Jane Austen events, so after 35 years of not sewing and with only high school sewing, she decided to try to sew the outfits herself. Since then, Barbara has made 25 dress, 5 pelisses (coats), 9 spencers (high-waisted jackets) and numerous matching purses and hats/bonnets, many of which have complex machine-embroidery on them (had to buy an embroidery machine too!).
