

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

DIGITIZERS STUDY GROUP Donna Morton

This new class is for those with some experience with their Bernina Embroidery Software V9, Artistic Digitizer or Hatch Software. This class is for you if you want help with a specific project. Donna has extensive experience with the in-the-hoop applique tools and multi-hooping. She can also help with other aspects of each program as well. This is a hands on computer class.

SUPPLIES	Our Part #
Laptop computer with embroidery software loaded and up to date. <ul style="list-style-type: none">• Power code• Mouse• USB stick
