

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

**HOOPSISTERS GEESE IN MY CABIN -- EMBROIDERALONG
Donna Morton**

Hoopsisters methods are tried and true! Join this EmbroiderAlong Demo and find out just how easy it is to create a quilt in the hoop that includes In the Hoop Piecing and Quilting. Each of the 16 inch blocks consists of 9 units. Each unit has custom quilting included -- graceful swirls accented by echo quilting and some straight line quilting. The quilting forms a secondary pattern between the blocks. Make a quilt, a runner or just a pillow. This is a fun and relaxing project. Purchase of Design Collection through Snip and Stitch is required to participate in this Demo class. Supply List will be discussed at the first class.

This is a lecture/demo. Please bring a notebook and pen. A 3-ring binder will be helpful for the printed instructions.
