

SUPPLY LIST FOR CLASS, DEMO, OR CLUB

The Magic of Coverpro Machines

Cathy Martino

Brief Description of Class: Have you ever wondered what a coverstitch machine does? How is it different from a serger? Why would you want one? In this demo class, Cathy will explain what these machines can do, how they work, how they differ from sergers, and some extra decorative techniques that you can play with. Different brands will be covered.

SUPPLY LIST	
Pattern/Book:	Our Part #:
Just bring a pencil and paper for notes and all your questions.	

If you have any questions please contact me: Cathy Martino
