

Introduction to Free Motion Quilting

Julie Plotniko

Students will learn the basics of free motion quilting as they stitch a sampler of simple shapes that will help them learn to successfully “draw” with their needle and thread. Batting, thread, needle choices and machine settings will be discussed along with correct body and hand positioning for smooth, enjoyable stitching results.

Fabric - .6m solid or tone-on-tone plus .2m for binding NOTE – the .6m of fabric is enough for both the front and back of your stitch sampler.	
24” square of Warm and Natural or Hobbs 80/20	
10” square (approximately) practice sandwich of (front fabric, batting and backing fabric)	
50 weight cotton thread that will be visible on your chosen fabric	
75/11 and 90/14 Quilting needles	
2 or 3 bobbins wound with your cotton thread	
Darning foot	
A marking tool that is clearly visible on your fabric. Please test prior to class.	
Supreme Slider or Free Motion Glider	
Quilting gloves	
Sewing tweezers	
Drawing pad and pencil	
Extension tray	

Sewing machine – bring your sewing machine to class in good working order, with all accessories and manual, extra bobbins, power cord and foot control.

Basic sewing kit – rotary cutter, ruler and mat, scissors, seam ripper, press sheet, pins (safety and straight), thread, thread snips, fabric marker of choice and anything else that you may think we need.
