

Machine Embroidery, Broken Star Log Cabin Quilt

Julie Plotniko

For all embroidery machines with a **200 x 200** hoop capacity. The blocks for this quilt are embroidered and quilted in the hoop, then assembled into a stunning Log Cabin quilt that's sure to become a family heirloom. Learn how to download the designs, transfer them to your embroidery machine, stabilize your fabric, quilt in the hoop, assemble the quilt top, layer and complete your project. I can't wait to see all of the color variations!

The designs for this project are a free download from CREATIVATE Library	
Embroidery machine with power cord, embroidery foot, spare bobbins, foot control and all accessories. Your machine is not needed for the prep class.	
200 x 200 (or larger) embroidery hoop	
4.5m cotton fabric for embroidery – precut into 64 – 10” squares. You will have a few extras for testing.	
.5m for binding	
72” square (3.7m if piecing) backing	
2.1m of lightweight batting such as Warm and Natural or Hobbs Heirloom 80/20 PLUS an additional piece of lightweight batting 72” square (1.9m); this will be used to layer the full quilt once the blocks are completed. Hobbs fusible 80/20 works especially well here. Precut into 64 – 10” squares.	
5000 m of embroidery thread in your main color for the log cabin embroidery. It doesn't hurt to have a little extra	
500 m of embroidery thread for the quilting portion of the embroidery design (this can be the same color as your background fabric or the same as the main color.	
Decobob or other similar bobbin thread in a color to blend with your fabric. White or black is usually fine. NOTE: if using pre-wound bobbins you will need several packages.	
Husqvarna Whisper Web Mesh stabilizer (at least 3 rolls, depending on your hoop size)	920746096
Sharp, curved scissors for trimming away the excess batting	
Stiletto is helpful for assembling the blocks	
USB stick to transfer the designs to your machine – bring this to the prep class	

Sewing machine – bring your sewing machine/embroidery machine to class in good working order, with all accessories and manual, extra bobbins, power cord and foot control.

Basic sewing kit – rotary cutter, ruler and mat, scissors, seam ripper, press sheet, pins (safety and straight), thread, thread snips, fabric marker of choice.

NOTE: Please bring your laptop and mouse if you would like to practice transferring the designs. Free CREATIVATE membership is required.

If you have any questions, please contact me at juliep@snipandstitch.com.

See you at class!
