

Pattern Alterations and Body Measurements for the Right Fit

Ron Collins

In this hands-on workshop you will learn how to identify fitting problems and how to solve them. You will also take 28 body measurements for yourself. Every student will have an alteration package to take home with them showing all the alterations that they have done.

Measuring tape	
Tape (like scotch tape)	
6" x 12" Omnigrid ruler or something similar	
Pencil and eraser	
No sewing machine is required for this workshop	
Please bring a pair of leotards or something similar to change into for when we do the body measurements.	

If you have any questions, please contact Snip and Stitch Sewing Centre at info@snipandstitch.com.

See you at class!
