Brenda Stupich

The ultimate Tote bag for 1,000 uses. Sturdy, big and versatile. Build you bag making skills by using a different substrate for the body of the bag. Everyone I have ever made it for say it is their favorite - beach bag, diaper bag, weekender bag, carry all bag, etc.! Easy to make and very rewarding given the limited time and pattern pieces required. Also great for easy variations to size, pockets and straps. You will walk out with a new and handy tote bag!
